# Lazerte Idol

Near the close of November, M.E. LaZerte students were treated to our very own music talent search, LaZerte Idol. Over a series of lunch hours, students gathered in the atrium to listen to songs put forth by the courageous and talented students. Our panel of school staff judges gave their thoughts on performances while students voted on winners. Congratulations to the winners of the friendly competition as well as all the brave students that participated. The day one winner was Linda Nguyen; salem and Mariwa claimed first place for day two; and the day three winners were Jason Le, Stephen Bu, Ben Jackson, and Sherridon Jones. Last, but not least, our wild card winners included Jamie Hollingsworth and Robell Alemu. Finally, a special thanks to Student's Union who coordinated and organized the successful event.

The second annual M.E.LaZerte Turkey Trot was a fantastic showcase of our fine new grade 10 Voyageurs! This year, the physical education staff decided to make our grade 10 run an official Terry Fox event. Our grades 10's were not only asked to participate in the 3 km event, but were challenged to raise some money to fight cancer. Thanks to all the grade 10's that made the effort to support a great cause!

The event ran September 29th during block two and involved all LaZerte students who were enrolled in Physical Education 10. The kids were fortunate to run on a pleasant fall day, and they did not disappoint. On display were some of the great spirits, athletic ability, and character that walks the halls of MEL everyday. The event was highlighted by the presentation of a full suspension mountain bike donated anonymously to Jenn Walters for collecting the highest total of donations to our cause. Her contributions were a big part of the \$3,316.06 that went to such a great cause. The event also had its competitive side, and some of LaZerte's top athletes showed off their abilities.

# World school Ho-Ho-Holidays

On the evening of Tuesday December 19, our school hosted the annual Christmas celebration. For the past five years we have invited **Eastwood Elementary** to our school where over 100 student volunteers have transformed our school into a fun and festive wonderland. This year we also included **Abbot Elementary** in hopes of bringing more happiness and joy to the numerous inner city children whom might otherwise be disappointed with the Christmas season.

# Voyageurs Go Far East

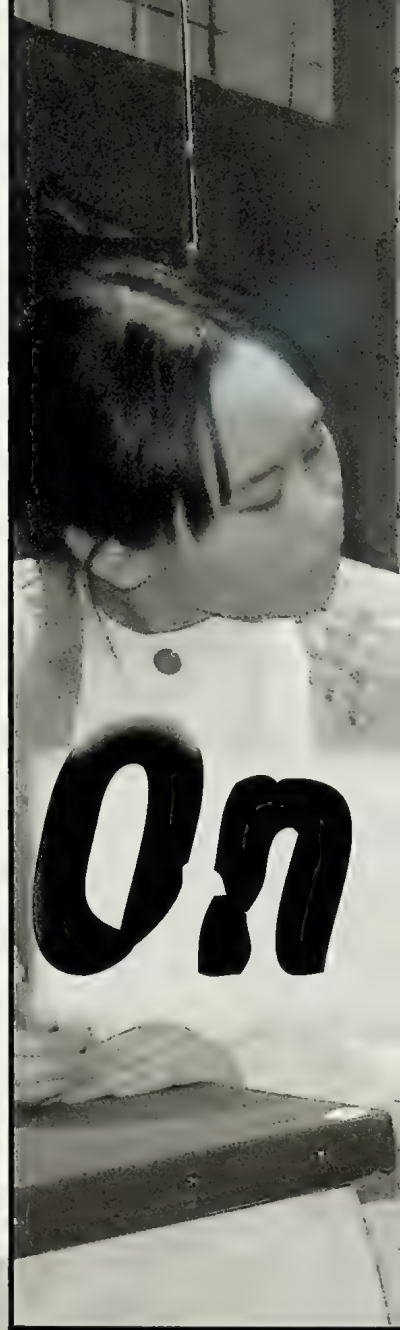

During Spring Break students enrolled in Mandarin classes headed towards China and Hong Kong for an experience of a lifetime. We visited over seven cities including Beijing, Shanghai and Hong Kong. We had the opportunity to visit The Great Wall and Forbidden City in Beijing. Also in Beijing we ate the famous Peking Roasted Duck. In Shanghai, we rode the world's fastest train at a mere 430 km/hr and admired the soon to be world's tallest building. Guilin gave us the breathtaking view of mountains as we took a day-long boat trip down the Li river. Hong Kong's magnificent skyline was astounding as well. However, the friendships that were made or renewed became one of the most important highlights of our trip. Our Voyageurs represented our school in fine fashion.

Voyageur Pride was evident from day one with this group of young men, and people repeatedly commented on the team's nature and capabilities. Over the course of the season not only were the two coaches proud of the team's accomplishments, but we had opposing coaches compliment us on our sportsmanship and determination, and referees who were amazed at our tenacity and excitement. After going 5-0 in the city conference round robin, the boys decided to challenge the second place team in the Premier Conference. The boys put forth an excellent effort, but came up short in the end. Over the course of this challenging season these 10 young men became a true team and represented their school with dignity and passion.

This year's senior men's team was an exciting and powerful team to watch. With only 3 returning players from the previous year, this group was always just one tip or one finish from being at the top. Highlights from the year included top four finishes in all their tournaments, leaving their best games until last coming up short against highly ranked Calgary and finishing 3rd in the Selkirk tournament in Kimberly. Graduating Captains Johnnie Chang and Ryan Wayne lead by example always pushing the group to strive for perfection. Eu-jin loo was always up to the task to complete any thing asked of him, even add an assist to the coach from time to time when the team needed that right pick me up.

## Junior Girls

This year the junior women's volleyball team was comprised of 11 women who, individually and collectively, made a valuable contribution both on and off the court. Lead by captains, Laura Fayad and Katelyn Billey, this team showed competitors what being a M.E. LaZerte Voyageur is all about! The commitment, dedication and heart behind this team was undeniable!! Even though they did not win a championship, everyone on the team should take pride in the effort and improvements that they displayed throughout the season. Good luck to all the girls in whatever future athletic endeavors come their way!!

The Senior Girls had an exciting and successful 2006 season. We finished our regular season in third place with a 4-2 record. One of the season's highlights was our trip to Vancouver B.C. to play in the Trinity Western University Invitational Classic. The girls had an opportunity to take in the sites of Vancouver and play some great volleyball. We finished 5th in the tournament out of 26 teams. Our determination and hard work throughout the season paid off and we advanced through the playoffs to the City Final Gold Medal Game. The team played a solid match, and we were proud to take home the silver medals!!!

The 06/07 campaign for the senior boys basketball team was one that showed tremendous improvement and hope, but had a disappointing early finish. The boys started the season out with a 2nd place finish at the St. FX tournament and then struggled in the league seeding round, and battled their way to a 3rd place finish and a spot in the premier league. The boys also spent 5 days of their pre-season on an exhibition tour in Vancouver, which included a game versus powerhouse Vancouver College and a practice in the War Memorial Gymnasium at UBC. The premier league was filled with good teams and demanded that the boys brought their best effort every night. The boys finished 4th in the city during the regular season, but were bumped out in the first round of playoffs. It was a disappointing finish for a team that had progressed so far and showed great improvement as basketball players, athletes, citizens, and people. The boys became a true team this year and should be proud of their accomplishments. The boys competed in 5 tournaments and finished with an overall record of 16-15. An extra special thank you goes out to the graduating seniors from the coaching staff. Good luck!

The 2006/2007 Junior Women's Basketball team was a great group of girls. The girls worked extremely hard in pre-season to make it into the premier league. During regular season they came together to develop as a team and apply their skills in every game. We had some highs and lows, but all in all we had a fun season. Congratulations and good luck to all the girls in their future basketball seasons.

The Senior Women's Basketball Team had a great season this year. Captain Lisa Langston and Assistant Captain Madison Hayes led the team to championships in all three of their local tournaments, including Queen Elizabeth's pre-season opener, and out of town tournaments in Hinton and Lloydminster. Over Christmas break the girls headed off to Hawaii for the Spalding Youth International Tournament, and a little sun on the side. The girls also forged a new LaZerte path into the Premier Conference. There, they battled hard, losing by only a couple points here and there. Congratulations to all our players: Laura Fayad, the three-point contest queen; Tiffany Yae, with the quick hands for stealing; Dahabo Hersi, the force inside; Jennifer Randolph, our most consistent shooter; Mariana Baziuk, our defensive specialist; Samantha Harper, our height inside; Pam Twerdy, for sacrificing her body in the path of the charge; Laura Pysyk, the spirit of the team; Madison Hayes, for her rebounding at both ends of the court; Jodi Ehrman, for her vertical that surprised us all sometimes; and Lisa Langston, for her passion, commitment and energy that led our team to the Premier Conference. Thanks for a great season girls!

# Swim Team

The swim team had a very successful season, actively competing from September to November. The swimmers met every morning for hour-long practices and participated in weekly swim meets. This year, the team achieved an exemplary third place win at the city Championships. In addition to this, the team has cooperatively built up a great sense of team spirit and sportsmanship through much dedication and perseverance. Voyageur pride is very evident in the closeness many have gained from representing M. E. LaZerte High School as a team. A special thanks goes out to the committed leadership of the coaches.

Although we may have lost in semi-finals, our boys' doubles team of Jonathan Cheng and Jordy Lee won zones and provincials in Calgary, great job! Awesome season everyone!*

This past year was a huge success as M.E.LaZerte put forward the largest x-country team in the past five years. The team worked extremely hard in practices and represented M.E.L well in the junior, intermediate and senior levels for both boys and girls divisions.

One memory that stands out was the McNally race, where the team decided to walk the course prior to the race and got stuck mid-course just minutes before the start of the first race. The team got a major sprint in just before they had to compete in the actual race!

The 2007 edition of the Junior Boys Soccer Team welcomed the addition of two new coaches in Mr. Bartsch and Mr. Romanchuk. A group of 19 talented individuals were selected, and although the season was relatively short, this group of young men gelled together into a cohesive team. This season saw some amazing goals (including a rare one off of a direct corner-kick), spectacular team play, and some fantastic saves by our keeper. The team won some key games at the end of the season and in the quarter finals, but unfortunately, lost to Ross Sheppard in the City Semi-Finals.

## Senior Boys

The Senior Team had a season plagued with injuries. At times we had six starting players injured but still managed to place fair in the standings. Our first playoff game was an exciting battle against Queen Elizabeth and Jason Bowmeester clinched our win in the last Penalty kick. The next rival was Wagner, we played our hearts out but we were not able to finalize the deal. All in all it was a good season for this group of voyageurs.

# Indoor Soccer

The 2006-2007 edition of the Indoor Soccer Team was a very successful one. Our team enjoyed a lot of success and tremendous growth. In a highly competitive league we finished seventh but only four points away from third place. Unfortunately, we faced the second place team and this game became our final game. In true voyageur fashion, we canoed our way through the rough waters the game brought us: many penalties, lights going out, a new field; at the end we lost 1-0 in the last minute. It is our voyage that becomes our fondest memory. Congratulations team!

# P.E. 20/30 Camp Trip

This year the students stayed at the Kananaskis Hostel where they cooked, hiked, and enjoyed various camp activities for 3 days. The kids also had the opportunity to mountain bike in the Rockies or ski/snowboard at Sunshine Village in Banff. The students who went were a fabulous group of young people who represented M.E. with class and showed great respect and admiration for our beautiful country and environment.

# Principal's Message

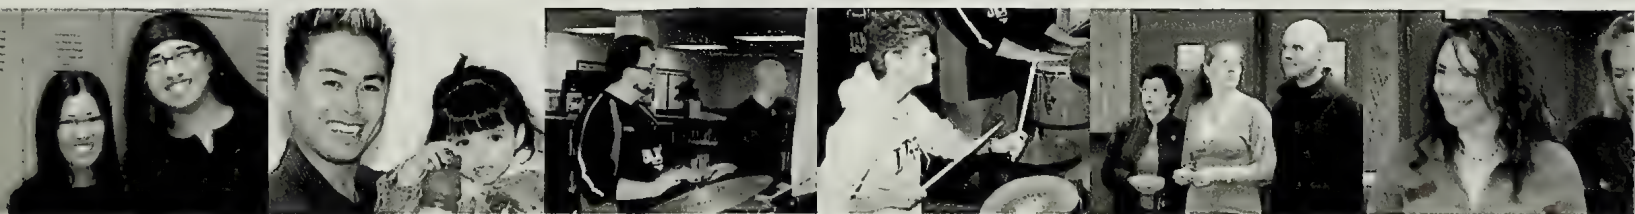

*Hide not your talents, they for us were made.  
What's a sun-dial in the shade?*

*Benjamin Franklin (1706 - 1790)*

*"Hide not your talents..." What a fitting introduction to the book of memories that will become the permanent record of the many memorable moments and the outstanding achievements of the students and staff members that shared the educational experience here at M.E. LaZerte over the past school year. As a lifelong educator, there is nothing more satisfying and rewarding than having the privilege of working to help shape and develop the hundreds of young lives that make up our "M.E. LaZerte family". In order to really understand the bright, vibrant, exciting and challenging culture of our school,*

*might I suggest that over the years you turn back to the coloured pages highlighting the Taste Of Lazerte. You might not find a bold picture of yourself on that page, but what you will find as you reflect on your youth is that you had the privilege of enjoying your education at a school that celebrated life and all that it has to offer. You are a Voyageur and that is the badge of pride that you carry with you always. Your book of memories has been cleverly organized around the months of the year, chronicling the "sundial of life". As each month roles by, it becomes increasingly evident that we are a culture of people who celebrate the traditions that give meaning to our lives anchoring us to the past and propelling us into future generations. M.E. LaZerte is a part of your tradition and your past. Your talents, your smiles, your laughter, your accomplishments, your hopes and dreams are reflected on these pages. I challenge you to sit and reflect on these memories in the years to come. May you always be inspired to showcase your talents whatever they may be and share them with your world. It is the tradition; it is the way of the Voyageur.*

Good evening fellow graduates, friends, family, teachers, administrators, and honored guests. We are gathered here on this tassel-turning evening to celebrate the past, cherish the present, and anticipate the future. Fellow graduates, we did it! The time has come to celebrate our twelve years in the education system. Twelve years that had us laughing at the best of times and crying at the worst. Twelve years spent ready to collapse under the unbearable weight of finals, assignments, and project deadlines. The one comfort that allowed us to persevere came from the fact that once it was over and done with, we would be able to look back with a sense of accomplishment, knowing we have done something that will allow us to pursue our dreams. As we venture forward, we must remember that in order to achieve success we must always dream, because as the 19th century philosopher Anatole France said, 'To accomplish great things, we must not only act but also dream; not only plan, but also believe.'

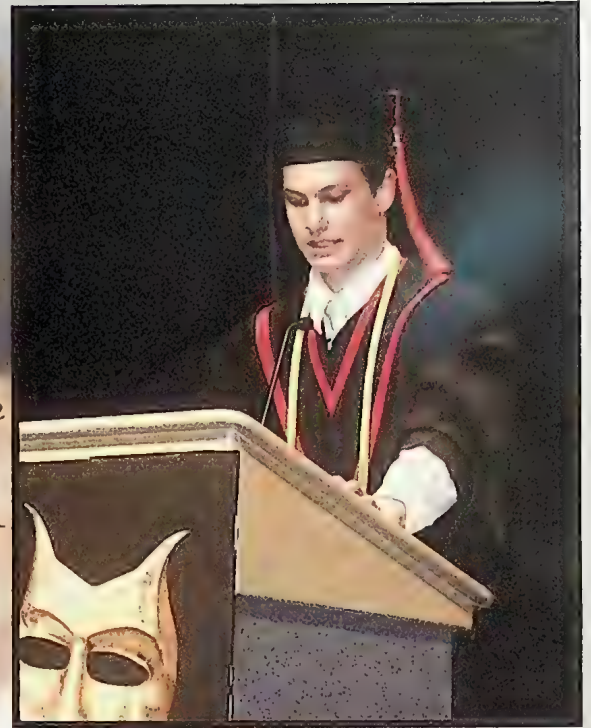

Our respective roads through high school have certain parallels. We all entered grade 10 wide-eyed and not knowing what to expect. From there, each of us branched off according to our strengths. Whether it is in the fine arts, athletics, technology, or academics, we have all acquired knowledge in an area that accords with our interests. Through our efforts in these areas, we have all gained expertise that is sure to be expanded in our future endeavors. After three years of high school, our paths converge once again for what may well be the final

time as we walk across the stage and out of high school. While this day does mark the end of high school, it is important to look at this day for what it truly represents—a new beginning. We are here to commence our passage from high school to whatever we desire. With the skills and qualities we have developed in these past three years, such as commitment, hard work and fortitude, our dreams are well within reach. Our vastest goals can now be realized as we strive forward with the knowledge that we can and will make the best of our great potentials. After twelve years of nurturing, we are all ready to spread our wings and fly to our respective destinations.

While we graduates are accepting the diploma on this evening, we must remember that it was the support of our parents, siblings, and teachers that has provided us with the opportunity to make it to this pivotal point. Without their constant encouragement, we would not be accepting this certificate of achievement tonight. We must thank them for their support and for their continued support as we seek to achieve our dreams. And to that end, I leave you with a word of advice from Victorian philosopher John Ruskin who said: "Dream lofty dreams, for as you dream, so shall you become." I hope you always remember to pursue your dreams as they invariably hold the blueprint to your success.

Thank you and have a wonderful evening.

Twelve years have flown by,  
and we're finally at the end.  
This year has been amazing

from Taste of LaZerte, and the amazing race, to LaZerte Idol, and the Tri for Cancer. Our school shows tremendous school spirit as seen throughout these pages. Without the help and dedication of Siaw En Yong, Connie Yuen, Rebecca Barber, Nancy Truong, Robert Barton, Tammy Wong, Jessica Hoang, and Alex Knebel, this yearbook would not have been the same. Finally to Mr. Candido, you put up with our whining, complaining, and teasing, while still being able to keep us on track. (yes we met ALL our deadlines). Thanks for everything, we'll miss you. To the 2007 graduates we did it

Your Editor's,
